Dim: Bespoke (designed with Jacquie Gordon)

Finish: Antique etch (powder-coat option p.o.a)

Product Description

This beautiful Rose Tree seat is designed in two parts. The seat base is crafted

using slatted flat steel, forming the circular seat. The centre of the seat is an open diameter to allow the central column and canopy access to the desired planting. In this example the planting is a scented Rose which has grown up the central column and poured out over the canopy. Creating sculptural planting and scented seating.
